

SafeTALK for Lawyers

Suicide Alertness Training

Make a connection - help save a life!

Law(yer) Strong/True Listening

Law(yer) Strong is hosting a SafeTALK training that is open to all lawyers!

Law(yer) Strong Inc. is a non-profit organization incorporated in 2021. Our goal is to improve the health of members of the legal community through support, connecting with therapeutic and specialized services; community and education.

SafeTALK teaches you how to recognize that someone might be having thoughts of suicide, to connect with them, and then to get them to someone with suicide intervention training.

It may be the most important 10minutes of their/ your life.

The **SafeTALK** training is facilitated by Glenn Schroeder through his company True Listening(www.truelistening.ca). Glenn has been a therapist and professional facilitator in Winnipeg for the last 25 years.
